Mr. Chairman and Members

I have the honour to submit herewith the Annual Accounts of the Trust Board for the year ending 31st March 1938. The Accounts have been audited by the Accountant General and his Audit Report is also enclosed.

2. The attention of the Members is invited to the fact that the Trust Board has been able to carry out improvements to the extent of Rs. 1,00,000 during the year under report. This has been made possible by the generous grant of Rs. 1,00,000 sanctioned by the Government of His Highness the Maharaja for the purpose. The expenditure on improving the Irwin Road, Sayyaji Rao Road and other roads necessitated heavy is a huge financial charge on the Mysore City Improvement Trust Board Funds.

3. The Chairman is requested to adjust the amount lying out of the Government grants in the Government Treasury to the credit of the Board.
